## PLEASE NOTE

**Credit card** – A 3% convenience fee (minimum of \$3) will be assessed on all credit card and debit card transactions.

**Yearly Tuition** – Similar to other private schools, tuition typically increases 3-6% each academic year.

## NEW FAMILY REFERRAL INCENTIVE

Current Elite Open School students and parents are by far our best ambassadors, sharing positive experiences through simple word of mouth. EOS wants to reward current families for promoting our school to their family, friends, neighbors, and colleagues with our New Family Referral Incentive Program. The New Family Referral Incentive program awards a referring Elite Open School family with a \$600 tuition credit for each new family that is referred to, actually enrolls in, and attends Elite Open School. The new family will receive a \$250 tuition credit.

### Who is eligible/ineligible to participate?

The referral program is for parents or guardians who are paying tuition for enrolled students (Grades 3-12) attending Elite Open School at the time.

Referred students must be accepted and enrolled at the beginning of a semester for the referring family to receive their credit. (If a referred student begins mid-semester, the referral award credit will occur during the second semester of enrollment).

- Families who pay in quarterly or semiannual installments will receive a credit for their next tuition payment.
- Families who have already paid their tuition in full before the school year begins will receive a credit to their account for the next school year.

### Terms and Conditions

- It is your responsibility to submit a completed New Family Referral Form to Elite Open School for each new family you refer **before** the new family formally completes enrollment. Failure to submit a completed [Referral Reward Program form](#) will make the referring family ineligible for the reward. No exceptions will be made to this requirement. Referrals may not be made retroactively. Please complete the form provided.
- The Tuition Credit has no cash value. To receive any benefit, Family must enroll a Student and pay tuition.
- Incentive reward consideration is limited to the referral of brand new families enrolling students in EOS and does not apply to students returning (previous EOS attendee), or advancing to another EOS track, nor families who have previously had students at EOS.
- The new family must enroll a full-time Grades 3-12 student at Elite Open School. New Family will receive one (1) tuition credit of \$250 ("New Family Tuition Credit"), regardless of the number of children in the New Family, with a maximum of one (1) New Family Tuition Credit under this Referral Program.
- Regular enrollment criteria must be met. The final decision for family acceptance rests with the recommendation from the school admissions committee.
- There is no limit to the number of families that you may refer; however, the total tuition credits received may not exceed your tuition in a given school year.
- Reward account credits for families who have paid tuition in full and withdraw from Elite Open School during the school year will not be issued the balance in the form of cash/check nor will they be transferable.
- EOS retains the right to reevaluate, revise, or cancel this program at any time.
